**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING MOTION FOR LEAVE TO FILE UNDER SEAL**

On October 15, 2002, Verizon Wireless filed a motion to file certain confidential information under seal, identified as Exhibit A to its comments filed concurrently regarding the grandfathering of NXX codes for wireless carriers. Exhibit A, entitled "Recommendations for California Grandfathered NXXs," as attached to its concurrent comments identifies Verizon Wireless' inventory of NXX codes with grandfathered numbers and the impact on Verizon Wireless resulting from reversal of the grandfathering of existing codes. Verizon Wireless considers this information to be confidential and proprietary. Accordingly, Verizon Wireless requests leave to file the confidential materials under seal pursuant to Commission General Order 66-C and Public Utilities Code Section 583.

No parties filed responses in reply to the motion to file under seal.

IT IS RULED THAT good cause having been shown, the motion is hereby granted to file under seal Exhibit A, entitled "Recommendations for California

Grandfathered NXXs,” attached to the concurrent comments of Verizon Wireless, filed October 15, 2002. Exhibit A shall remain under seal for a period of two years from the date of its filing unless movant makes a timely request for extension of the confidential treatment by filing a separate motion with good cause shown.

Dated June 10, 2003, at San Francisco, California.
